

# *And more praise for STEAM COFFIN...*

“John Laurence Busch has produced the definitive history of the steamship *Savannah*... Along the way Busch demonstrates the breadth and depth of his research... The book...presents a garden of rich information.”

— *New York History*

\*\*\*

“Busch...has completed an enviable amount of research, uncovering many new details... The book has something of the feel of a cosy fireside chat about it.”

— *The Mariner's Mirror*  
(United Kingdom)

\*\*\*

“John Laurence Busch has expended a prodigious research effort..., which offers an engaging account of the *Savannah*... *Steam Coffin*...will appeal to the much broader audience of the general reading public.”

— *Britain and the World*  
(United Kingdom)

\*\*\*

“*Steam Coffin*...reveals a story of struggle that is both intriguing and historically significant... Busch should be commended for painting a vivid picture of the *Savannah*'s role in shaping the sails-steam paradigm.”

— *Southern Historian*
